

Dear DSCA Membership and Election Committee,

I am seeking election to the Delaware School Counselor Association Board of Directors, first and foremost, because I am passionate about school counseling. I deeply believe in our role within our schools and the amazing things we do each day to improve outcomes for students in Delaware. I have served on our board as a Director since 2020 and I am currently serving as Treasurer.

I have worked in Delaware public and private schools since 1992 as both a teacher and a school counselor. My passion for education and school counseling burns stronger now than it ever has. I remain committed and positive about what we contribute everyday.

In July 2019 I was asked to take on the position of DSCA Membership Committee Chair. I did so without hesitation. Just prior to the pandemic in 2020 I was elected to serve as a Director on our board and since that time I have become increasingly involved on the board.

I take joy in continuing to develop and grow as a school counselor and being able to give back to my profession is very satisfying. The opportunity to represent Delaware school counselors as a DSCA Director is an honor and a responsibility that I take seriously and I would love the opportunity to continue to represent and serve Delaware school counselors. Thank you for your consideration.

Kindly,

Shannan S. Beck

School Counselor
Delcastle Technical High School
